SUMMARY

Professional software developer with strong background in coding, debugging, and software design. Adept at collaborating within teams to deliver high-quality software solutions that meet evolving project needs. Experienced as PHP web developer with over 6+ years of expertise in designing, developing, and maintaining dynamic web applications and solutions. Proficient in PHP, MySQL, and modern frameworks such as Laravel, CodeIgniter, with a strong background in integrating APIs and optimizing performance. Known for problem-solving abilities, effective communication, and results-driven approach to software development.

EXPERIENCE

Keyntech Technologies

Laravel Developer (Jan-2025 to Present)

As a Laravel Developer at Keyntech Technologies, I am responsible for developing web applications from the ground up, including UI design, business logic implementation, and database management. Software Developer

Jr. Software Developer

Alite Projects (2019 To 2020)

Completed 1 month of hands-on training in JavaScript, focusing on web development fundamentals. Continued as a Junior JavaScript Developer, contributing to the development of interactive and responsive web applications. Worked on writing, testing, and debugging JavaScript code under the guidance of senior developers.

Krayons Technology

Software Developer (June-2020 To Dec-2024)

As Software developer I am responsible for implementing software business logic by interacting with clients to understand their requirements and translating them into functional solutions. Ensured data was efficiently stored, secured, and easily accessible. Participating in all stages of the development lifecycle, including planning, development, deployment, and maintenance.

Jr. PHP Web Developer

Webmobi Technology (2018 To 2019)

Started as Trainee (6 months), then promoted to Junior Developer. Gained hands-on experience in PHP-based web development. Contributed to real-world projects under the guidance of senior developers. Built and maintained dynamic websites and web applications.
